

Mindset: The New Psychology of Success

Filesize: 6.42 MB

Reviews

Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Lydia Legros)

MINDSET: THE NEW PSYCHOLOGY OF SUCCESS

Random House USA Inc, United States, 2011. Paperback. Book Condition: New. Reprint. 201 x 130 mm. Language: English . Brand New Book. World-renowned Stanford University psychologist Carol Dweck, in decades of research on achievement and success, has discovered a truly groundbreaking idea the power of our mindset. Dweck explains why it s not just our abilities and talent that bring us success but whether we approach them with a fixed or growth mindset. She makes clear why praising intelligence and ability doesn t foster self-esteem and lead to accomplishment, but may actually jeopardize success. With the right mindset, we can motivate our kids and help them to raise their grades, as well as reach our own goals personal and professional. Dweck reveals what all great parents, teachers, CEOs, and athletes already know: how a simple idea about the brain can create a love of learning and a resilience that is the basis of great accomplishment in every area. Praise for Mindset Everyone should read this book. Chip and Dan Heath, authors of Switch and Made to Stick Will prove to be one of the most influential books ever about motivation. Po Bronson, author of NurtureShock A good book is one whose advice you believe. A great book is one whose advice you follow. I have found Carol Dweck s work on mindsets invaluable in my own life, and even life-changing in my attitudes toward the challenges that, over the years, become more demanding rather than less. This is a book that can change your life, as its ideas have changed mine. Robert J. Sternberg, IBM Professor of Education and Psychology at Yale University, director of the PACE Center of Yale University, and author of Successful Intelligence If you manage any people or if you are a parent (which is a...
