POST APOCALYPTIC Ebola has attacked the human race, virtually wiping it from the face of the planet. For those who survived the struggle is just beginning and for some, the nightmare is just starting. A madman, now free of prison hospital, builds an army and marches on Coast Town with the intent of taking it over. Coast Town is a haven on the south coast of England, a refuge for the few survivors to gather and start again. Three years on from the dark day when Ebola struck, the people face another challenge, this one perhaps all the more frightening because it might not kill you, just enslave. One man can make a difference, two men can change the future. Duke Woods, The Woodman, stands in the way of the madman. Duke has the power to stop him, and Duke has a score to settle with him, too. With the help of another man, they take the battle to the madman known as The Black Pope. As Dukes past comes back to haunt him so the battle for life takes off, with not only his life in the balance, but that of Coast Town, too. FEEDBACK (Lex Allen) Excellent Post-Apocalyptic Thriller! Duke Woods, aka The Woodman, is among the few survivors. A loner, who had lived most his life in the woods with his father, Duke is an unforgettable character that...
