Wordsworth Editions Ltd, 1998. TRADE PAPERBACK. Condition: New. The House of Mirth tells the story of Lily Bart, aged 29, beautiful, impoverished and in need of a rich husband to safeguard her place in the social elite, and to support her expensive habits - her clothes, her charities and her gambling. Unwilling to marry without both love and money, Lily becomes vulnerable to the kind of gossip and slander which attach to a girl who has been on the marriage market for too long. Wharton charts the course of Lily's life, providing, along the way, a wider picture of a society in transition, a rapidly changing New York where the old certainties of manners, morals and family have disappeared and the individual has become an expendable commodity. Book.
