Atlantic Publishers & Distributors (P) Ltd, 2009. Hardcover. Book Condition: New. The book, Democracy Without Political parties, consists of ten chapters analysing with facts and figures, briefly but very precisely, the bane of political activities through party culture, leading to division and discord in Indian society, giving fatal blow to secularism and partisan views affecting governance adversely in which the parties always get the upper hand at the cost of interests of the people. The party politics has invariably led to criminalisation of the Indian society. Even the educational institutions have been invaded by parties, thereby intoxicating the young minds and vitiating the ambience of learning as well as the sanctity of penance at the cost of future of the country. The coalition of parties that happens due to fragmented verdicts is designed only to strengthen the hold of parties and not for rendering any service to the country. The mushroom growth of parties every election season, which rose to about 400 by the end of 2008, shows the extent of personal ambition for money, power and fictitious fame having no relevance to the growth and development of the country. Due to inaction or poor functioning of officials and institutions, the affected people have no other option but to approach the judiciary for relief. The judiciary, already having a huge backlog, has to bear more burden to rescue the affected people. Thus, the legislative wing feels that its domain is encroached upon by the judiciary though the people suffering are not impressed by such statements. The steel frame of bureaucracy is meant to manage civil services, which are the true foundation of administration, touching the people of all levels in the society. But unfortunately, due to party politics in India, the party which comes to power grabs the bureaucracy and...
