Sunstone Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For many years, a man known as Brushy Bill Roberts proclaimed to all who would listen that he was the historical and legendary Billy the Kid, alive and well. And there were various books written that claimed this to be true. As a result, many became convinced of the validity of Brushy's claim and Brushy's elaborate fable has continued to capture the imagination. In this book, the author has attempted to dispel the elaborate hoax once and for all. Brushy Bill Roberts was not Billy the Kid. He was, in fact, just an interesting elderly man, known by his family and acquaintances as a colorful Old West storyteller. ROY L. HAWS has experienced a variety of careers after graduation from the University of Texas at Austin in Mechanical Engineering. He has been a sales engineer and sales manager for electrical equipment manufacturers, a country music artist manager and record producer, the publisher of Indie Bullet Country Music magazine, a cattleman in East Texas, a mathematics instructor at Lon Morris College in Jacksonville, Texas, and an Internet college textbook retailer.
