AK Press, United Kingdom, 2008. Paperback. Book Condition: New. 202 x 140 mm. Language: English . Brand New Book. If you are an unschooler, this book will be a joyful affirmation . if you are still a little unclear about the history and philosophy of deschooling, here is a perfect introduction. - Kerlin Richter, Hip Mama Debates about education often revolve around standardized testing, taxes and funding, teacher certification everything except how to best help kids develop learning skills. Everywhere All the Time presents an array of historical and contemporary alternatives to traditional schooling, demonstrating that children s capacity to learn decreases as soon as they enter bureaucratic, institutional facilities. Census data in the United States alone places the number of home-schooled children at five hundred thousand. Trends point toward an increasing skepticism of the ability of public schools and private ones, based on similar pedagogy to give kids what they need to be healthy, self-directed life learners. Major themes in this book include: children s self-directed learning, encouraging community-building and participation from parents in the learning process, critical thinking for active engagement and democratic self-governance, and alleviating the negative psychological effects of traditional schooling methods. It also includes the voices and...
