Stories drawn from real-life cases identify and define a broad range of ethical problems, and show readers how to resolve them. An emphasis on day-to-day issues makes ethical and philosophical concepts easy to understand. Each chapter begins with selected principles from the APTA's Code of Ethics and Guide for Professional Conduct. New cases studies, new illustrations, and expanded discussions of ethical issues make the 2nd Edition even more essential. This title uses a new, three-part organization, Professional Core Concepts, Caring and Respect, and Organization and Administration....
