

Homes and How to Make Them (Paperback)

By E C (Eugene Clarence) Gardner

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We are told that all men, women, and children ought to be healthy, handsome, and happy. I have strong convictions that every man should also have a home, healthful, happy, and beautiful; that it is a right, a duty, and therefore a possibility. Small and humble it may be, cheap as to cost, but secure, refined, full of conveniences, and the dearest spot on earth, a home of his own. In the hope of making the way to this joyful consummation easier and plainer for you, I propose to give you a variety of hints, information, and illustrations relating to your undertaking, and will try to make my practical suggestions so well worth your attention that you shall not overlook what I may say upon general principles. There is a right and a wrong way of doing almost everything. I am yours, for the right way.
