

You Are Indeed an Elk, But This Is Not the Forest You Were Born to Graze

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

(Derick Brekke)

Gold Wake Press Collective, United States, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Kyle McCord's *You Are Indeed an Elk, but This Is Not the Forest You Were Born to Graze* consists of thirty single-stanza wonders of the world-ferociously associative, disjunctively digressive, and melodiously surprising wherever they roam. Their acro-battery blasts of talky power are rich with joy and pathos, not to mention also an abiding, and sometimes biting, ambivalence toward both the meadow of contemporary American culture and the unspeakable acts of kindness/ we committed together. This is a wonderfully tricked-out barrage of a book, the wild life in wildlife, and especially for you.-Matt Hart, author of *Sermons and Lectures Both Blank and Relentless* I love the roaming and attentive eye through which we are invited to experience Kyle McCord's new book, *You Are Indeed an Elk, but This Is Not the Forest You Were Born to Graze* . Here are poems at once mystic, intimate, hilarious, and completely enamored with the impossible world-- the smoothest crest / of skyline smirked by a river / without a single thing to lose / itself inside is just one way this book amazingly imagines living and loving with others. I too, feel that some days decorum may be all I have. Thank God this book reminds me that I m wrong. -Wendy Xu, author of *You Are Not Dead In this*, Kyle McCord's fourth collection, someone is always doing something ill-advised. There's both trespassing (going where you shouldn't) and trespassing (doing what you shouldn't, or sinning -- a word that has its etymological roots in archery: sinning as missing the mark. In other words, the sinner has tried to do right and failed)....
