

## Sardis, Vol. 1: Publications of the American Society for the Excavation of Sardis; The Excavations, 1910 1914 (Classic Reprint) (Hardback)

By Howard Crosby Butler

Forgotten Books, 2018. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Excerpt from Sardis, Vol. 1: Publications of the American Society for the Excavation of Sardis; The Excavations, 1910 1914 The above historical considerations, taken only as applying to Sardis itself or to Lydia, are important enough, but in connexion with the geographical position of the city they become of even greater significance, especially for the solution of vexing questions as to the origin and development of Aegean, Ionian and Greek cultures. We have to remember that Sardis was never an Ionian city. Lydia bordered upon the Ionian states, and at times embraced them; but the civilization Of Lydia, its language and its art, certainly had origins very different from those of their Ionian counterparts. Indeed we know from herodotus and from other Greek writers that the Ionians looked upon Lydian culture as Older than their own. Radet9 and hogarth3 go so far as to assume that interior Lydia could boast of a comparatively high civilization before that of Asiatic Greece had come into being in the cities of...
