After reading this book, you may agree that - How To Save America - is probably the most important book you have ever known. The first attack on America on 911 was just the beginning. In the second attack on America, that has already begun, they are not going after our tallest buildings and its not the usual suspects who are attacking. This attack is from the enemy within, and they are attacking each and every individual American family by stealing our assets. It wasnt enough for them to destroy our economy and ruin this countrys reputation. Now, theyre coming to steal our bank accounts, our retirement plans, our 401ks, our Online Stock Trading Accounts, our savings, our nest-eggs, even our homes are at risk. Dont believe me, just count all the homeless people in your community and ask yourselves where it will stop. The invaders are our own elected leaders. Its time we removed our heads from the holes in the ground and wake up and reclaim this great country and bring it back to where it belongs. This book is a simple and easy to understand outline of what we have to do, how we can do it, where to begin it, and where it will end. Every patriotic American must read this book and they must tell everyone they know to read it. Tom Jefferson said - When the government fears the people, there is Liberty. When the people fear the government, there is Tyranny. He also said in the...
