Empire Publications Ltd, United Kingdom, 2011. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Since the 1950 s onwards, Mancunians have had a passion for creating and following great music. Be it live or via recordings, the city has been a magnet for generations of locals - and in recent years music fans from all over the country and beyond - to enjoy. Whilst cities such as Liverpool and Memphis turned their musical heritage into tourist attractions, Manchester kept looking forward, developing new scenes and tastes. Yet the 2002 film *Twenty-Four Hour Party People* was probably the point at which Manchester music fans started to look back at the rich musical history of their city. This coincided with the publication of Morrissey s *Manchester* by Phill Gatenby and numerous other publications penned by luminaries of the Manchester scene. Following the success of this guide book dedicated to locations associated with The Smiths, author Phill Gatenby put together several tours featuring other world famous Manchester bands from Buzzcocks via Joy Division to Oasis and Doves as well as the various scenes from Beat to Acid House and even Lo-Fi. An interesting guide for anyone with an interest in British music, this guide documents the various clubs and venues that have influenced Manchester based musicians over the last 50 years.
