

SA8000: the First Decade: Implementation, Influence and Impact

By Deborah Leipziger

Greenleaf Publishing. Hardback. Book Condition: new. BRAND NEW, SA8000: the First Decade: Implementation, Influence and Impact, Deborah Leipziger, This is the first book in the field of corporate social responsibility to examine the progress of a standard over a ten-year period. Published in late 1997 and revised in 2001, the Social Accountability 8000 (SA8000) standard and verification system is a comprehensive tool aiming to assure humane workplaces throughout the supply chain. The SA8000 system includes: factory-level management system requirements for ongoing compliance and continual improvement; independent, expert verification of compliance by certification bodies; the involvement of all key stakeholders in the SA8000 system; and harnessing consumer and investor concern by helping to identify and support companies that are committed to assuring human rights in the workplace. As of 31 December 2007, nearly 700,000 workers were employed in 1,500 facilities certified to SA8000, in 65 countries and 67 industrial sectors. Ten years on, what has the impact of SA8000 been and how do its architects and users see it developing into the future? In this book, businesses, NGOs, academics and trade union leaders provide much-needed perspective on the lessons learned from SA8000 and set an agenda for the next decade. The...
