Impact of Training and
Development on
Organisational Performance

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The book analysed the impact of training and development as a measure of organisational performance in terms of financial and non-financial outcomes. It was found that there is a positive relationship between training and performance which was established from data collected. Some challenges in Nigeria banking industry before 2005 reforms were huge bad loan portfolio, bankruptcy, weak corporate governance, reduced asset quality, illiquidity dwindling earnings and sometimes, loss making. Other chapters of...
