

## DC-DC Converter Topologies for Fuel Cell-Ultracapacitor Hybrid System

Filesize: 4.89 MB

### **Reviews**

*The publication is fantastic and great. It can be rally exciting through reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.*  
(Prof. Alvis Wuckert)

## DC-DC CONVERTER TOPOLOGIES FOR FUEL CELL-ULTRACAPACITOR HYBRID SYSTEM

To save **DC-DC Converter Topologies for Fuel Cell-Ultracapacitor Hybrid System** PDF, you should click the button below and save the file or have accessibility to additional information which might be have conjunction with DC-DC CONVERTER TOPOLOGIES FOR FUEL CELL-ULTRACAPACITOR HYBRID SYSTEM ebook.

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | DC microgrids have recently attracted research interest. A DC microgrid is composed of different dispatchable and non-dispatchable power generators and energy buffers, such as fuel cells and ultracapacitors, which are employed to provide the steady-state and transient power demanded by the load. To interface these generation resources to a common DC bus-bar, different configurations of power converters have been proposed in the literature. For the fuel cell, a unidirectional DC-DC converter is utilised, for the ultracapacitor, however, a bidirectional DC-DC converter is needed to maintain the state-of-the-charge of the ultracapacitor. The overall efficiency of the microgrid will depend on the efficiency of these converters. High efficiency and low cost converters are very important to obtain a cost-effective solution. In addition, the converters must be chosen in respect to the characteristics of these generation resources. In this regard, this book introduces an overview on different of DC-DC converter topologies and investigates their applicability for fuel cell and ultracapacitor based on the electrical output characteristics of these resources. | Format: Paperback | Language/Sprache: english | 102 gr | 220x150x3 mm | 64 pp.
