Sri Devi Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Songs of Light and Dark is a poetic exploration of the contradictory journey of the soul in search of itself. How can we transcend the mundane if our longing for truth is veiled time and again by shadows of sadness and regret? And yet, behind a spiritual seeker's yearning for the Self lies the inexorable clarity that there is nothing but the Self orchestrating our existence. In the same manner that our eyes need to adjust when going from the light into darkness and from darkness into the light, these poems reflect the unfolding transparency of spiritual experience.
