## AMERICANIZATION: A SCHOOL READER AND SPEAKER (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Americanization: A School Reader and Speaker Americanization - to give the term its most comprehensive meaning - is the business of making good American citizens, the business of acquainting every one who inhabits American soil with both physical and spiritual America, to the end that this acquaintance may result in a sturdy loyalty to American institutions and American ideals, and in the habit of living the life of the good American citizen. To Americanize America it is necessary, truly to reach the native born and the immigrant, the adult and the child in school; and incidentally, the task of Americanizing the newcomer will be rendered comparatively easy if we can but succeed first in Americanizing ourselves. In this business of making good American citizens we naturally think, first of all, of the citizens-in-the-making, the boys and girls in our schools; for Americanization, broadly considered, means education for citizenship. This book is intended for use in the intermediate, grammar, and lower high school grades as a reader and speaker. It contains selections from historic American documents and from the writings and speeches of eminent publicists, dealing with various phases of the Americanization problem. The elections are grouped under the following captions: (1) FoundationStones in our History and Institutions, (2) The Story and Meaning of Our Flag, (3) Great Names in American History, (4) Incentives to Patriotism, (5) Present-day Problems.
