## THE RELATIONSHIPS WORKSHOP

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Marianne Williamson live in seminar leads the audience (and the listener) through a series of exercises and insights designed to foster emotional growth and maturity. Williamson s point that we must acknowledge past pain, but then move on, rather than dwelling on old hurts, is especially helpful. Williamson s humor is evident; it s as if one is having a chat with a wise and trusted friend rather than being lectured by a guru. Her self-help message is laced with wisdom and plain common sense, which is, of course, all too uncommon in our world. .this unique hands-on program captures the bestselling author of A Return To Love at her best: interacting with a live audience and producing the levels of transformation which any listener will enjoy.
