Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

Regularly priced at \$11.99 As Tony Robbins says Words have the power to start wars or create peace, destroy relationships or strengthen them. How we feel about anything is shaped by the meaning we attach to it. The words you consciously or unconsciously select to describe a situation immediately change what it means to you and thus how you feel. Language shapes our behavior and each word we use is imbued with multitudes of personal meaning. The right words spoken in the right way can bring us love, money, and respect, while the wrong words-or even the right words spoken in the wrong way-can lead to a country to war. We must carefully orchestrate our speech if we want to achieve our goals and bring our dreams to fruition. -Dr. Andrew Newberg, Words Can Change Your Brain Throughout human history, great leaders have used the power of words to transform our emotions, to enlist us in their causes, and to shape the course of destiny. As Jim Rohn always said there are 5 major pieces of life: Philosophy, Attitude, Activity, Result, and Lifestyle. And to create any change in life you must start by refining your philosophy. You cannot change your destination overnight, but you can change your direction overnight. These quotes are collected in such a way that they will help you to refine your...
