

Autobiography of REV. Alvin Torry: First Missionary to the Six Nations and the Northwestern Tribes of British North America (Classic Reprint)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Autobiography of Rev. Alvin Torry: First Missionary to the Six Nations and the Northwestern Tribes of British North America The reader of the following pages will be struck with the clearness and vigor which pervade them. The writer leaves nothing obscure, expresses nothing feebly, and in short gives us a well-sustained, interesting narrative throughout. We have not elsewhere met with so connected and intelligible an account of Methodist Missions among the Aborigines of Canada. In the rapid work here sketched, the careful observer will see much bearing a very close resemblance to the recorded successes of the earliest Christian preachers - the seventy disciples and the twelve apostles. Nor were these effects confined to mission fields. The same, or nearly the same proofs of our author s call to the ministry, appeared on every circuit which he travelled. A correspondence in instruments, as well as in results, is also to be noticed. The apostles went not from the schools, but from their secular pursuits, to the ministry, and so did the subject of this work. In this, however, his case was not different from that of the great body of our early preachers. Those who love to trace the onward march of Christ s kingdom, will greet this volume with a cordial welcome; they will see at a glance that it reveals, with artless simplicity, the only way in which true religion has been, or can be propagated in the earth.
