Excerpt from The Way of Christ: Studies in Discipleship We know almost nothing about the boy Jesus. Just a few sentences sum up the story of the first thirty years. Into those obscure years Of his boyhood and young manhood legend and myth have sought to peer, but the gospel history grants us only one clear picture. Luke, the artist of the evangelists, has drawn it for us with a few swift strokes of his pen, and it is a priceless treasure. We could not do without it, for the features of its central figure are drawn with such sure, firm lines that we know Him better from this single picture than a score Of less revealing sketches could have told us.
