By Jens Boje

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Introduction price of \$9.99 - Limited TimeLearn to integrate your Spring Boot application with a single-page application securely in an actionable and hands-on approach within just a few hours!In this custom tailored learning plan you get a head start and learn 4 commonly used ways to integrate your Spring Boot backend with your single-page application and secure it. In just a few hours, you will know how to implement 4 different types of integration and are ready to make better decisions when applying these principles in your context. You ve been there and done that already while other developers are still wading through hundreds of pages of a fluffy compendium and still having no clue of how to solve the problem. You learn best by coding. The way I love learning too. What you will build: We ll put a single-page application written in Angular 4 and Typescript as an Admin UI on top of the microservice built in my book Spring Boot: How To Get Started and Build a Microservice. However, you do NOT need to know or own the other...
