Youcanprint Self-Publishing, 2016. Paperback. Condition: New. Abridged ed.. Language: . Brand New Book ***** Print on Demand *****.California Notebooks 02 is the second volume of a bilingual collection of poetry in English and Italian, written on the road in California from 2013 to 2016. Unusual places and new stops. The desert and the revelation of beauty, sensorial, abstract, evocative. The blinding light, the monumental space and the dominant sky. We read poetry to discover we are not alone. We write poetry, to create maps. Poetry is the magic bus, letting us travel together into beauty, into the unseen, a geography of the spirit. Here is a cartography for those who feel the flow.
