BRENDA S STORY (PAPERBACK)**DOWNLOAD**

Dan Gladwin, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As her condition continued to deteriorate, doctors were no help. I finally had to place her in a full time care facility. A forty year marriage shattered in less than twenty four hours. Brenda was declared to have suffered a permanent brain injury - cause, Unknown. How do you cope? How do you stay sane? How do you keep your faith? This is a story of love, hope, and that crazy relationship between a man and a women. This is that story as originally told in random nightly blogs intended to inform friends and family of my wife s progress and relapses. It ended up being my way of answering all those very questions.and more. I wrote, not just about the reality of the situation but even more so; the reality of love and marriage, and women and the strange and wonderful relationships created in and between this assemblage. I wrote to stay sane. This is Brenda s story along with a meandering and often humorous tale of that crazy relationship we call love and marriage. Then one day, one Doctor did help. This story does have a happy ending.
