Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from History of the City and County of Schenectady, N. Y: Originally Prepared in 1887 for Use in the Public Schools of the City, Now Revised and Brought Down to Date Schenectady County was formed from Albany County, March 7, 1809. It is bounded by the following adjacent counties: on the north, by Montgomery and Saratoga; on the east, by Saratoga and Albany; on the south, by Albany and Schoharie; on the west, by Schoharie and Montgomery. In shape it is very irregular. A line across the county, in its widest part, would be drawn from the south-east corner of Niskayuna to a point on the Schoharie Creek, near the south-west corner of Duanesburgh and would be about 28 miles long. The Mohawk River flows in a general south-easterly direction through the county and forms a part of its north-eastern border. Besides this river, the principal streams are Schoharie Creek, Norman s Kill, and their tributaries. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
