In addition, I will briefly highlight some of the several smaller, more narrowly focused initiatives DOD has started in recent years that, through incorporation of many of the key elements, have been successful in making tangible improvements in DOD operations. Furthermore, I would like to reiterate two suggestions for legislative consideration that I believe are essential in order for DOD to be successful in its overall business transformation effort. 14 As I have previously testified, and as illustrated by the success of the Keys to Successful Reform more narrowly defined DOD initiatives I will discuss later, there are several key elements that collectively would enable the department to effectively address the underlying causes of its inability to resolve its long-standing business management problems. These elements, which we believe are key to any successful approach to transforming the departments business operations, include addressing the departments financial management and related business operational challenges as part of a comprehensive, integrated, DOD-wide strategic plan for business reform; providing for sustained, committed,...
