Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Want to start keeping honey bees? If you are struggling to get started in beekeeping, you know it costs a ton of money to buy all the equipment. Shipping charges are increasing every year. Costs continue to go up. Bees, in certain times during the season, are in short supply. But during the spring, you can line up to acquire your bees for free! Yes, the bees are free but there will always be a cost in terms of your time and motivation. But the good news is those costs are relative. And the GREAT news is that you can catch swarms of free bees without incurring the out-of-pocket cash costs of buying a package of bees or a nuc. You can catch free bees to replace winter dead-outs. You can catch free bees to expand your apiary. You can catch free bees to increase the number of locations where you keep bees or even expand your hives to start a pollination service. In a nutshell, you don't have to buy bees and incur the out-of-pocket expenses that hold a lot of hopeful people back from enjoying a wonderful hobby that holds tremendous business potentials. If that's enough information, I encourage you to order this book. If you're just mildly curious, keep reading. Like a lot of people, we usually have more time than money and the bees are out there for the expense of our time. I've been keeping honey bees since 1981. This book is about my experiences finding, catching and keeping free bees. With this book and the information within, you'll likewise be able to position yourself to receive free bees...
