Reviews

If you need to adding benefit, a must buy book. It really is writter in straightforward words and phrases rather than difficult to understand. Your life period is going to be change the instant you total reading this ebook.
(Letha Okuneva)

SKIN JOB (PAPERBACK)

Squall Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Monsters, mutants and mad mayhem punctuate this poetic exploration of death and the deadly. Rarely has poetry been put to such ghastly use. The results are horrifyingly great. Jack Halberstam, author of *Skin Shows: Gothic Horror and the Technology of Monsters* and *The Queer Art of Failure* Those of you who have long suspected that Evan J. Peterson is the love child of Bette Davis and the Marquis de Sade will find your suspicions confirmed here. Shot in Hollywood and edited in a clammy French dungeon, *Skin Job* is part seduction, part coercion, all pure pleasure. David Kirby, author of *Talking about Movies with Jesus* and *The Ha-Ha* *Skin Job* is the opening salvo of the new wave of science fiction and horror poetry. Evan J. Peterson, horror poetry columnist, debuts his own first collection of horror and sci-fi poetry in this meditation on monstrosity. Stitching together such visceral inspirations as David Cronenberg, Allen Ginsberg, David Lynch, H. P. Lovecraft, Sylvia Plath, Oscar Wilde, and *The Rocky Horror Picture Show*, *Skin Job* raises the bar on so-called genre poetry. Now available from Minor Arcana Press, the poetry imprint of Squall Publishing. Find the book trailer, a short horror film, at the Minor Arcana Press website.
