Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Meet Steven Tully. You can call him Steve. Or geez , if you prefer. With his hopes of finding employment fading as fast as his Bangkok sun-tan, Steve is forced to resort to desperate measures as the pressure to join the flock of over-educated under-achievers mounts. Yet what begins as a bus journey to the Job Centre trying to hide his man boobs soon becomes a journey of hilarious self-discovery. Part-autobiography, part flight of fancy, *They Say You Can t Judge Me* suggests Steve is the love child of Adrian Mole and Bridget Jones, raised by Plato and Jim Bowen (off of Bullseye). Thought provoking, deep, philosophical, quirky and irreverent, *They Say You Can t Judge Me* has been years in the making. It is now, finally, ready to be presented to the world. Are you ready to judge?.
