ANGLO-SAXONS: (CHANGED OUR NATION) (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Introduction I have written over 160 books. I think this is the best book that I have ever compiled. The Anglo-Saxtons have been given a unfortunate bad opinion about their Race. Let s, begin with the truth. The Bible, Egyptians and Romans all had Slaves before the Anglo-Saxons came into existence. Their Empire started in the Dark Ages. They were basically many Northern Tribes living in caves. They eventually evolved into the most Powerful and greatest Country on Earth. They were wise enough to adopt Christianity as their core Religionist belief of love and compassion. They had the opportunity to believe in Judaism, Islam, Buddhism or many other ideologies. They chose Christianity because Jesus made more sense to them. The Anglo-Saxtons fought many Wars between other ethnic groups. They conquered them and established Colonies around the World. Eventually they ended Colonization and let other Races control their own destiny. When American Blacks decided enough was enough, they began to struggle for Justice and Equality. Only Anglo-Saxtons people stepped up and struggle with them. Many lost their lives doing so. You young and uneducated Blacks please read this book and see how far we have come with the help of our White Anglo-Saxton brothers and sisters. By no means all Anglo-Saxtons are good compassionate people. Some are hate filled with Supremacy over Blacks because of their white skin. Forget those, because the are the inferior ones themselves, love them anyway. All White people were not happy President Kennedy was assassinated in Dallas, Texas, just the hate filled people because of JFK equality belief. Perhaps the same could be said of Dallas itself, which, through preserving its tarnished moment in American History, has done...
