Andy has been a nomad ever since the strange abilities he was born with began to wreak havoc on his seemingly normal life. Following his instincts he takes a bus to the end of the line and finds himself in a small town that has a massive carnival on the outskirts called the Haunt. He is welcomed into the odd community of folk that run the show, who tell him this is a place of gathering, and he begins to discover that this carnival holds more magic than cheap thrills. There is power here. Real magic. This is a place where the unseen stirs and ancient things dwell. A slender man is on a murder spree, sinister clowns speak in riddles, and a cult conspiracy most foul begins to unfold. Andy must fight through it all to become the master of his own fate. The spell is cast, the bones are thrown, time for a master to seize the throne.
