## My First Things That Go Let's Get Moving

By DK

Dorling Kindersley Ltd, United Kingdom, 2011. Board book. Condition: New. Language: English . Brand New Book. With amazing vehicles to name and count, plus fun-filled questions and activities, this first things that go book is perfect for preschool learning. Read it together and help your toddler develop early speaking, listening and observational skills as they learn to recognise and identify vehicles. Chunky tactile tabs invite little hands to turn the page and improve dexterity, and there's more hands-on learning throughout; your child will love pointing to and naming the different machines that move on each bold vehicle-themed page featuring toys, cars, bikes, trucks, trains, planes, boats, emergency vehicles, and more. Then when they have named the vehicles there are other activities to try, like making the noise of a rescue machine, counting the wheels, or matching up the vehicle with its driver. A great way to teach your child about vehicles, My First Things That Go: Let's Get Moving will keep inquisitive toddlers interested and enthusiastic time and time again.
