Dover Publications Inc., United States, 1988. Paperback. Condition: New. Language: English . Brand New Book. In January 1848 at Sutter s Mill, California, a carpenter named James Marshall found several nuggets of gold, the largest of which weighed over a quarter of an ounce. The news quickly reached San Francisco and by March, the great California Gold Rush was on! Boom towns and miner s camps sprang up across the state as fortune-hunters from all over the world came to try their luck. Now the excitement and rags-to-riches glamour of the Gold Rush era has been captured in this treasury of accurate, carefully researched drawings. Colorists of all ages are invited to re-create the great adventure by coloring more than 40 authentic detailed scenes: California mountain men, Sutter s Mill in 1848, old San Francisco, prospectors panning for gold, Saturday night in a mining camp, portrait of a forty-niner, and other vivid tableaux. Includes an Introduction and informative captions replete with background information for each true-to-life scene.
