Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Darius thought of this brilliant idea to create a book that would assist parents in teaching their children at home before daycare and preschool. He promises that this read will not only build a strong bond between parents and their children but also build the social development skills of the child. It s not just an ordinary alphabet book, but more complex with the terminology selected on certain letters. This book includes drawing and writing sections as well for little ones.
