Lipman Complete and Unabridged The object of this paper is to discuss money-making; to examine its prevalence as an aim among people generally and the moral standards which obtain among those who consciously seek to make money. The desire to make money is common to most men. Stronger or weaker, in some degree it is present in the mind of nearly every one. Now, how far does this desire grow to be an aim or object in our lives, and to what extent is such an aim a worthy one? The typical money-maker as commonly pictured in our imagination is a narrow, grasping, selfish individual who has chosen to follow lower rather than higher ideals and who often is tempted, and always may be tempted, to employ illegitimate means for the attainment of his ends. The aims he has adopted are made to stand in opposition to the practice of certain virtues. Thus we contrast profits and patriotism; enriching one's self and philanthropy; getting all the law allows and justice; taking...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
