Syracuse University Press. Hardback. Book Condition: new. BRAND NEW, Joyce, Imperialism, and Postcolonialism, Leonard Orr, On the surface, James Joyce's work is largely a political. Through most of the twentieth century he was the proud embodiment of the rootless intellectual. However, perspectives on the colonial history of Ireland have proliferated in recent years, yielding a subtle and complex conception of the Irish postcolonial experience that has become a major theme in current Joyce scholarship. Highly original and often provocative, these essays bring Joyce powerfully within the ambit of postcolonial studies.
