

Oregon -- Pacific Wonderland: Sheet (Paperback)

By -

Alfred Music, 2015. Paperback. Condition: New. Language: English . Brand New Book. The four movements of Oregon: Pacific Wonderland portray some of the sights of this special state. Mount Hood is simple and majestic, beginning with triads and gradually expanding to fuller chords. It is melodic, with light eighth-note motion throughout. Portland, City of Roses is in D major and requires a gentle lilting touch. Appealing harmonies and varied articulations are found throughout. Specific pedal markings require careful attention, and fluctuating dynamics provide charm. Pendleton Round-Up Rodeo is a jaunty G major piece with a C major middle section. It has a quick, steady tempo, and mixed articulations between hands. Coastal Oregon depicts a foggy day on the coast by exploring impressionist sounds. An intense middle section and flowing lines contribute to this piece's uniqueness.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in a remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
