Crimson Books, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In high-speed, high-tech New Chicago, 2039, magic has gone viral. Lily Barnett, a brilliant but drifty artist wanders into a strange magic shop where she impulsively guzzles a love potion. Erratic and unpredictable powers awake inside her. Her houseplants turn ravenous and strings of flamingo lights spout poetry. When she paints a portrait of her perfect man, he steps free of the canvas and stalks her. Desperate, she turns to her best friend, Daniel, for help. But Daniel has problems of his own. He s a telepath who must shield thoughts, emotions, and desires or go mad. He wants Lily, desperately, but knows his passion will drive her away and that his friendship is of more value to her than his love. As Lily negotiates the catastrophic blends of her fear, imagination, and chaotic magic, Daniel must fight against his own impenetrable reserve and the psychic gifts he s always despised. Magic and love might save them, but can they survive each other? Sensuality Level: Sensual.
