John Wiley Sons Inc, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. Get to know the amazing creatures right outside your door! What do toads like to eat? Why do crickets sing? Why does a firefly glow? If you ve ever longed to know more about the habits of the animals and insects that live in your backyard, here s the book you ve been waiting for! With Backyard Pets, you ll find out how to catch and care for lots of different, easy-to-find critters, from terrific toads to slithering slugs. You ll perform all sorts of investigations and activities, including discovering how snails eat and how caterpillars protect themselves, before you return your newly found pets safely to their natural home. And you ll even find out how to attract birds and butterflies to homemade feeders and gardens so that you can observe them every day as they go about their amazing lives. As you take care of your pets, you ll learn how to interpret fireflies signals; how to entice worms from their burrows with sound; and how to make birdfeeders, hummingbird gardens, and toad abodes. Along the way, you ll discover lots of fascinating facts about the lives of these clever critters-from what their favorite foods are to how they see, hear, and move, and even how they help the environment.
