

Blood, Sweat and Gears (Paperback)

By Herm Zandman

Xlibris Corporation, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this comical yet cutting story, Herm Zandman, an interstate trucking insider, gives us an informative glimpse into this little-known world. The book depicts the author's entry into Australian heavy haulage, and chronicles some of the colorful situations he got himself into. The story takes the reader through the human challenges that interstate trucking imposes on drivers and their families. The relationship between heavy haulage and general road users is explored, and the infrastructure of all the support systems involved in moving goods is critically appraised. Time is also spent addressing the rapport between the transport industry and the authorities. Blood, Sweat and Gears is a book that sheds light on a largely unknown part of society in order to engender helpful understanding and better harmony when the behemoths of the road meet the little road users. Herm Zandman is a former teacher and writer of educational materials who became an interstate trucker. He grew up in the Netherlands, in a rural area close to the German border, and currently lives in Kongorong, Australia. Dr. Zandman is working on a children...

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- Merritt Kilback II

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
