LITTLE BIT GOES FISHING (PAPERBACK)

Trafford Publishing, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Little Bit, a honey-colored Yorkie dog, loves to go fishing, especially when it is on the red and white deck boat. There are lots of different fish to catch, and sometimes she even gets to steer the boat-even though it s hard to do with paws! This time, Little Bit and her owners are fishing in the Gulf of Mexico. She loves looking into the blue waters and gets very excited thinking about which fish will show up next. She helps catch a speckled sea trout (which tastes very salty!), a catfish (he has spiky barbs-ouch!), and even a stingray (a pretty friendly guy). Sometimes Little Bit wishes she could get in the water and swim with all those wonderful sea creatures. But since she is little and some of the fish are so big, she just takes a bath instead! Little Bit Goes Fishing is an enjoyable read for adults and children alike. Hop on the boat with Little Bit and learn about the wonderful world below the sea!.
