Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Rubina These, though not unusual, were my happiest moments a rest when weary, a solace after punishment, a genial playmate in hours of loneliness. Mine was no happy childhood. I state this fact, without regret or reproaches, from my present stand-point. It is easily sighted. Looking back to that childish drama of wild, half-suppressed wonderings at more mature actors; having vague perceptions of truths they sought to smother from their own consciousness; revelling in interdicted puzzles over the seeming uselessness of Life, and the dread certainty of Death, I shrink back appalled at the intensity of the thoughts which I dared not express. My mother repeatedly assured me, in language severe, and with uplifted finger, that ingratitude for the blessing of existence was sure to be visited with Divine displeasure; that the hope set before us in the Gospel was all one ought to desire and that if we succeeded in glorifying Christ - no matter whether we were saved or lost at last - we should be supremely happy a confusion of ideas, a con?ict of theory and practice, I did not pretend to understand, but which left an unpleasant doubt to torture me.
