Harper Collins, 1999. Hard Cover. Book Condition: New. Dust Jacket Condition: New. Frank McCourt's Angela's Ashes, a memoir about growing up under difficult circumstances in Brooklyn and Limerick, became an unexpected sensation a couple years ago, and deservedly so. McCourt, using delicate, direct prose, related the difficulty of an impoverished childhood troubled by a hard-drinking, irresponsible father. Angela's Ashes closes with McCourt's journey back to America, and its sequel, Tis, picks up almost precisely where its predecessor left off. If McCourt's patriotic closing sentiment in Ashes seemed a bit too simplistic, Tis makes it clear that America didn't immediately offer milk and honey to her prodigal son. Undereducated, unwashed, and plagued by eye troubles, McCourt struggles to carve out a life in New York, working as a busboy to the privileged in the '40s before joining the army and eventually returning to New York to resume his education.
