Christian Faith Publishing, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is my journey from Mormonism to a born-Again Christian. God has placed me on the path of salvation because of his great love. I praise and give thanks to the Lord, God Almighty for making my way clear to me. I am so thankful that God has shown such mercy and love to me that he would teach me his truths. Through his spirit he will teach and lead all people to his truth, for God is not a liar. The path to God is pure, beautiful, and simple. But often, the path is distorted by man s concepts and evil influences. God has given us the Bible to learn his truths so that we may not be deceived. Upon receiving an answer to a prayer, I started to read the Bible and found that everything I learned as a Mormon was not in accordance with the Bible. As a Mormon, I was deceived from the true path to God and taught untrue concepts. God desires all his children to learn his truth. Because of my love and gratitude toward God, I desire to share my story with others for his glory.
