A Practical Guide to Teen Business and Cybersecurity - Volume 3: Entrepreneurialism, Bringing a Product to Market, Crisis Management for Beginners, Cybersecurity Basics, Taking a Company Public and Much More

By James Scott

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Adolescent education is corrupt and flawed. The No Child Left Behind reform succeeded in little more than eliminating the last remnants of a useful education, only to be reshaped into the systematic and federally enforced dumbing down of America's vibrant youth. From mathematics to science and from philosophy to business, the standard has dropped for both academics and those charged with the task of instructing our youth. Our children are being taught by societal misfits, not academic giants, as they would have you believe. School system administrators are wannabe CEO who couldn't make it in the real world and our school boards are populated by politically motivated identity crisis victims trying to reinvent themselves. Those who have the power to elevate the standard lack the intellectual capacity to do so and those who have the intellectual capacity (such as those reading this text) lack the time to get involved. If your time is limited and you still want to make a difference, start with the education of your child. This book series has...
