Brand New Book ***** Print on Demand *****.Excerpt from Fire Warden s Handbook: Oregon Forest Fire Laws The purpose of this handbook is to indicate briefly the forest policy of the State and to supply the information needed by the State Fire Wardens in the discharge of their duties. Instructions to cover every emergency that the warden will have to meet cannot, of course, be given, but the application of the policy here outlined to local conditions, should lead to a more hearty cooperation between the wardens and the public, and result in a more uniform enforcement of the forest law and a greater efficiency in fire protection work. The handbook contains the full text of the forest laws, arranged in a form convenient for reference use, together with opinions of the Attorney General in digest form, relative to several important sections.
