

## The ETF Book: All You Need to Know About Exchange-Traded Funds (Hardback)

By Richard A. Ferri

John Wiley and Sons Ltd, United Kingdom, 2010. Hardback. Book Condition: New. Revised edition. 226 x 152 mm. Language: English . Brand New Book. Exchange-traded funds (ETFs) are revolutionizing the investment industry. From their introduction in 1993, ETFs have expanded exponentially over the past fifteen years. You, as an informed investor, need to know what makes ETFs unique, how they work, and which funds may help you achieve your financial goals. The updated edition provides the most current look at the ETF market, where the number of funds has doubled since the book first published in December 2007. A huge number of bonds funds, commodities funds, currency funds, leverage and short funds have been introduced. In addition, actively managed ETFs are here now, and some major mutual fund companies, like Fidelity and PIMCO, are getting into the market. Remarkably, the terminology in the ETP marketplace is also evolving at a rapid pace. The acronym ETP for exchange-traded product has become an industry standard. The term did not exist two years ago. Written by veteran financial professional and experienced author Richard Ferri, The ETF Book, Updated Edition gives you a broad and deep understanding of this important investment vehicle and provides...
