Nautilus, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WOOF provides a practical playbook for driving growth by creating a measurable sales and marketing strategy that s grounded in research and generates a predictable return on investment. Written by Lori Turner-Wilson, the award-winning syndicated Guerrilla Sales Marketing columnist and CEO of RedRover Sales Marketing Strategy, WOOF is a business mentor in book form according to D. Bryan Jordan, Chairman, President and CEO of First Horizon National Corporation. Russ Klein, CEO of the American Marketing Association, says WOOF is bite-sized and easy to pick up over and over again. I keep it around for inspiration. Just as a heart surgeon would never cut before a diagnosis, so should go your sales and marketing strategy. Turner-Wilson outlines the way a proper diagnosis requires objective, comprehensive research insights that can only be gathered by gaining the authentic perspectives of your current customers and the broader marketplace. Only through proper research can you determine the sales and marketing levers to pull in order to generate a strong, predictable return on investment. She explains that the brands deploying the most successful marketing strategies share these approaches. They have claimed a unique brand territory. They have a distinct brand voice that resonates with buyers. They have a deep understanding of their target market - who they are, what makes them tick, and why they buy. They have identified the most cost efficient and productive avenues for reaching them, and they focus on these channels in order to maintain an affordable cost of customer acquisition. Believing that the strongest return on investment can only be had when marketing and sales strategies align, WOOF shares insights into Turner-Wilson s sales philosophies. The consultative sales model was conceived in the 1970s...
