St Martin s Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. How many people would kill to be a bestselling novelist? Especially one like Janet Evanovich. Writers want to know how a bestselling author thinks, writes, plans, and dreams her books. And they are primed for a book from Janet Evanovich that tells, in a witty QA format: - How she comes up with such remarkable characters - How she nails the perfect name every time - How she finds out insider details - Just how she sets up those masterful plots - What the life of a full-time writer is really like - What she d tell an aspiring author about the publishing industry - And much, much more! This book details the elements of writing and publishing a novel, and addresses all categories of fiction-from mystery/thriller/action titles to romance; from stand-alone narratives to series. It offers practical and inspiring advice on such subjects as structuring a plot and handling rejection. And it combines one of today s most successful fiction writers with Ina Yalof, a published non-fiction writer who teaches creative fiction. HOW I WRITE is the perfect reference for anyone looking to improve their writing, and for those fans who are hungry to find out more about just how Janet Evanovich ticks.
