Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Thinking of cycling end to end? Or just interested in reading about it? This book will give you a great insight into the experience. Smashed from his bicycle by an articulated truck Royston Wood found himself unable to complete a long planned for 875 mile cycling event. Battling the demons of failure he devised a plan to ride a similar distance across the UK from Land s End to John O Groats. With only a few days to plan the whole trip he delegated the routing to Google Maps. Cycle routing was brand new and in beta testing: what could possibly go wrong. Praise for Royston Wood: .Beautifully written, informative, cracking sense of humour.a great read. .Factual, funny and a page turner. I have read many books on this subject and this is one of the best. Please note this book is not written as a route guide although gpx downloads of the route ridden are available. Part of a series The book is part of a series of books I have written to help aspiring end to enders complete the challenge successfully. Also available on Amazon are: Land s End to John O Groats: Self Help Cycle Guide tells you how to plan, prepare and train for this epic adventure. Land s End to John O Groats - End to End Cycle Route - A Safer Way: This self-help resource is designed to provide everything you need to map and navigate your End to End cycle safely - either following my route in its entirety or deviating from it to suit your requirements.
